### Agreement Made Between Union Pacific and Northwestern.

### The Two Lines to Be Run Practically As a Single System.

### The Latest News From the Howard-Turner Feud in Kentucky.

### List of the Killed and Wounded in the Last Engagement.

### Report Confirmed.

Boston, October 22.—The report of the traffic agreement between the Union Pacific and the Chicago and North Western is confirmed at the Union Pacific office today. The agreement is for ten years and covers thirty-five printed pages. The agreement establishes a line to Council Bluffs to be known as the Chicago Union Pacific and Northwestern line. The entire systems of both companies are to be operated except in the case of the Kansas division of the Union Pacific which at no point connects with the Northwestern.

The agreement provides for joint tariffs and trains, the settlement of disputes, division of earnings from through trains, proportions of equipment and rates under competition. This agreement goes into effect on November 1st. The agreement nowhere goes east of Chicago but it is thought that it can mean nothing less than a through line from ocean to ocean by way of the Boston and Albany and Vancouver line.

New York, October 22.—The traffic agreement between the Northwestern and Union Pacific has created a great deal of discussion among the railroad "cliques" of this city. Vice-President Sykes of the Northwestern road said tonight that the contract is not an exclusive arrangement between the two roads in the sense of either road refusing to handle the business of other competitors. The Rock Island and Burlington have western connections of their own and the Union Pacific is simply in the line of similar arrangements already made by other systems. The arrangement does not go east of Chicago and Vice-President Sykes said he had no knowledge that the line was intended to make eastern connections.

### Depew Confirms the Report.

New York, October 22.—President Depew of the New York Central, said today in referring to the statement in a morning paper that there had been an alliance made between the Chicago and Northwestern and the Union Pacific: "The statement is correct. There has been a traffic arrangement made between the two roads but nothing further has been done and I have nothing to add."

### Factional Feud in Kentucky.

LOUISVILLE, Ky., October 22.—A special this morning gives a corrected statement of the fight and wounded in the "factional" fight near Barren yesterday. The engagement was short, sharp and terrific.

Not one of the attacking party was hurt out of the Howard party, six others were wounded. Among the wounded are: Bird Spurgeon and Robert Napier, whose injuries are mortal; Ben Mitchell and George Cole, who were shot in the legs; Thos. Howard, a local wood chopper, in the thigh. Ben Spurgeon had a close call, a bullet grazing his temple and tearing away a strand of hair, and fracturing the skull. Wilson's wounds were not serious. There was a report that Wilson Howard was mortally wounded, but doctors here are that he escaped unhurt. The Howard gang is badly demoralized.
